**ADVANCED
PARTS**

v.9.06.011

NOTE: All previous edition are no longer valid after new published catalogue.

Products sold by SAMPA are not original parts but they are interchangeable with them and they are sold under our brand.

All original equipment manufacturers (OEM) numbers, symbols and descriptions are used for identifications purpose only. They will not be used in delivery notes or invoice to our customers.

We cannot accept any responsibility for errors which may occur from the printing etc.

This catalogue is not permitted to be reprinted or duplicated even partially without our prior written permission.

We reserve the right to make technical changes and design modifications.

The information provided in this catalogue has been researched and prepared with utmost care. However specifications, descriptions and illustrative material contained herein are subject to possible changes without notice. We do not accept liability for any errors in this issue.

SAMPA frequently updates and improves its products. SAMPA may discontinue to offer or modify its products at any time. Please consult your SAMPA country representative for specific product information.

The brand SAMPA® is a registered and protected trademark. Registration numbers are; IR 1147491, IR 1153904, CTM 010528438, OAPI 3201200019, TR 2002/19391, TR 2011/112926, Well-Known Trademark T/03238.

Explanation of the used terms in this catalogue;

Replaces : The spare part which shown is a product of SAMPA® brand, it can be used instead of the original spare part of the vehicle manufacturer.

Suitable for : The spare part which shown is suitable for the listed vehicles, models, product types etc.

SAMPA code with "SD" : The shown spare part is a "SAMPA DESIGN" product which is developed in SAMPA R&D Centre (CAMP).
